### **ENCDC Message of Condolences to the People and the Government of Ethiopia**

His Excellency Dr. Abiy Ahmed  
The Ethiopian Prime Minister

On behalf of the Eritrean National Council for Democratic Change, I would like to express to Your Excellency and to the brotherly people of Ethiopia, our deepest condolences on the terrible tragedies and loss of lives that has occurred to the great people of Ethiopia.

We are very saddened of the loss of the Governor of the Amhara region, the Ethiopian Chief of Staff, and others in the country. We kindly ask Your Excellency to pass our condolences to the people of Ethiopia and the families of the victims and injured citizens. We hope and pray that Ethiopia will remain strong and united against such illegal and violent acts.

The Eritrean National Council for Democratic Change stands with the democratic forces in Ethiopia and the region, and urges all to strive for peace, security and stability in our region.

Once again, Your Excellency, please accept our deepest condolences, hoping that the Ethiopian people and its democratic forces will exceed this difficult moment in Ethiopia's history.
